(et) als enfans bordeitz petitz. e mi- as sion tals amors. don ieu sia iauzens iauzitz. quieu la sai bo- na tot aitan. ues son amic en greu loguau. per so suy trop so- en marritz. quar non ai so q(ua)l cor naten.</p> <hr/> <p>L uenh es lo castelhs ela tors. ont elha iay e sos maritz. e si per bos cosselladors. cosselhan no suy enantitz. quautre cos- selhs petit men uau. aitant nay fin talan corau. alres noy a mais del murir. sal qun ioy. non ai en breumen.</p> <hr/> <p>T otz los uezis a pel senhors. del renh on sos ioy fo noyritz.</p>
-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

e crey quem sia grans honors.
quar ieu dels plus en uilanitz.
cug que sion cortes leyau. ues
lamor quins el cor meu clau.
ai bon talant e bon albir. e say
quilh na bon estien.

Ma uoluntat sen uay lo cors. la
nueit el dia esclarzitz. laintz
per talant de son cors. mas tart
mi ue e tart mi ditz. amicx fas
elha gilos brau. an comensat
tal batestau. que sera greus a de-
partir. tro quab duy en siam iau-
zen.
